

FORT MCMURRAY FUNDRAISER

As part of our leadership program in the BAS room we have organized a dinner to show our appreciation for our families. During our planning a disaster occurred in Fort McMurray and we decided to turn our event into a fundraiser. In addition to our dinner the children came up with the idea of collecting toys for all the children that lost everything in the fire. The children donated 1.5 truck-beds of new and gently used toys to go to families affected by the forest fire. To date, we have also raised \$785 which will be dispersed to 5 specific families directly affected by the fire. We have such a great community here at Springbank Cottage and we thank you for your continued support!
